

# Elevating the new standards of rice with our unique flavors.

**Thai Green Curry Rice with Fire Roasted Pineapples**

**Confetti Wild Rice with Roasted Peppers and Carrots**

**Verde Rice with Fire Grilled Shrimp and Roasted Poblano Peppers**

Fruits and vegetables that are vibrant in color, fresh tasting and crisp in texture is what we do best. By using a proprietary high temperature roasting process followed by flash freezing to ensure that our products stay delicious, naturally, we are able to produce frozen roasted vegetables and fruits – a true replacement for fresh vegetables.
